DAY CABS

KENWORTH® - AEROCAB™ - EXTENDED DAY CAB KIT

Introducing our newly designed day cab conversion kit for Kenworth® AeroCab™ models.

Offering six additional inches of leg room for driver comfort, this kit can be pre-painted and quickly replaces the existing sleeper with no modifications to the factory cab or interior.

When you consider the ease of installation, combined with the rapid turn around time, we think that you will agree this kit is the perfect solution for your conversion needs.
